Mr. H. J. Slachter
Right-of-Way Division
Department of Highways and Transportation
1221 E. Broad Street
Richmond, VA 23219

Dear Mr. Slachter:

In accordance with discussions between you and members of my staff, enclosed are three copies of the proposed Right-of-Entry Agreement between the Central Intelligence Agency and the Commonwealth of Virginia. It is requested that all documents be signed by the appropriate Department of Highways and Transportation official. After signing, please return the original and one copy to this office for signature. A fully executed copy will be returned for your files.

We appreciate your cooperation and that of your office in this matter.

Sincerely,

John M. Ray
Director of Logistics

RIGHT-OF-ENTRY AGREEMENT
BETWEEN
THE CENTRAL INTELLIGENCE AGENCY
AND THE
COMMONWEALTH OF VIRGINIA

A right-of-entry to the following described property is hereby granted to the Commonwealth of Virginia, Department of Highways and Transportation and its contractors for the purpose of constructing roadways adjacent to the CIA Headquarters building located at Langley, Virginia, Fairfax County, Virginia, in accordance with State Highway Project 0123-129-000, C501:

Property occupied by the Central Intelligence Agency between Routes 123 and 193 and the security perimeter fence on the south side of the facility grounds.

It is agreed that the right-of-entry is to be utilized for daily project and construction activities and does not constitute authority for the establishment of temporary storage or warehousing activities on CIA property, unless otherwise specifically agreed.

It is further agreed that this right-of-entry shall terminate upon completion of said project and that, unless otherwise agreed, the property will be returned to its original state.

John M. Wray, Jr.
Chief Engineer
Dept. of Highways & Transportation
Commonwealth of Virginia
